

Recyclable Bollards

100% Recyclable Bollards

Our range of 100% recyclable bollards cover the most popular designs requested by our customers. These products will perform as well as any currently available on the market and have a guaranteed graphic life of 10 years, twice that of any other bollard manufactured within our range. These bollards have a smooth, non-porous, easy clean surface finish which do not require any anti-grime products.

	<p>CENTRAL-R™ (PF94) 270mm</p> <ul style="list-style-type: none"> • Blow Moulded 10 Year Graphic Guarantee • High Profile Black Outline Option • Available in Flexible or Rigid Types • Fixings Suitable for Industry Standard Bases 	<p>CENTRAL-R™ (PF94) 270mm</p> <p>BRCFS-1-KL—Flexible Single Aspect Keep Left BRCFS-2-KL—Flexible Double Aspect Keep Left BRCFS-1-OPAL - Flexible Opal (Plain) BRCFS-1-KR—Flexible Single Aspect Keep Right</p>

Each bollard is date coded and fitted with a fully welded, galvanised steel fixing frame. Within the Signature range we offer the most durable, effective and illumination control available which are best complimented when used in conjunction with the Signature range of either the standard PL or LED Baselights plus any of the Signature conversion units available.

All Signature bollards confirm to the prescribed luminance performance parameters asset out in the current British Standard BS873 and are UV stabilised to the relevant Kilo Langley. Through active participation with the BSO, ARTSM and many other recognised governing bodies, Signature is able to guarantee that all products supplied conform to current prevailing standards.
